

Virair Wireless Broadband

home user - no phone line required

***Better
Broadband
Installation Subsidy
available if you
currently receive
2Mbps or less.**

Wireless broadband packages		
Level 1	20Mbps download 5Mbps upload	Monthly cost £29.99
Level 2	30Mbps download 10Mbps upload	Monthly cost £34.99
Level 3	Speeds up to 52Mbps download 20Mbps upload	Monthly cost £44.99

For higher speeds please contact us for availability and pricing

The standard installation cost for home users is £150.00.

On occasions the cost may be higher should the configuration prove more complex.

* Homes within the Lancashire region may be eligible for the 'Better Broadband' subsidy scheme which entitles the user to free installation.

* In order to qualify for the subsidy, available broadband speed at the property is required to register at 2Mbps or less.

Speeds up to 100Mbps are available prices on request. All plans include unlimited data (subject to fair usage policy) dynamic IP address. Install is completed usually within 10 days of order.
